

office seatings

Our Ref : FV/AC/31708(77)/11

Date : 28/6/2011

To : FERROVIC

To Whom It May Concern:

We are one of the major manufacturer cum exporter and importer of office furniture in the region. We have been using maintenance products from Ferrovic Corporation since 2001, is very satisfied with their lubricants range such as :-

- i) MHL Hydraulic Oil
- ii) HTB non-melt grease **
- iii) F35 Penetrating & Cleaning Oil
- iv) MPL Multipurpose Grease
- v) ESA Synthetic Compressor Oil **
- vi) Chemical Range.

open plan system

We highly recommend of using Ferrovic Corporation products because we have been using for so many years of so consistency and we are very confidence of using the products especially the trust worthy of their services all this years.

We appreciates the assistance and products above and highly recommend the products above.

Thank you and sharing.

Yours truly,

furniture system
